Elizabeth Streb, Nominee

Auxiliary Member of the Year 2025

We are pleased to sponsor Elizabeth "Liz" Streb for the 2025 Auxiliary Member of the Year!

Ms. Streb joined the Bradenton Auxiliary Unit #24 on May 5, 2010 and hit the ground running. She has been the Veterans Affairs and Rehabilitation Chairman for several years. This committee consists of supporting Veterans in Manatee County and throughout Florida, such as the Veterans Turning Points Program, Veterans Administration, the Salvation Army Veterans Program, Manatee Veterans Village. She is also the Chair of the Education and Girls State Committees where she works very closely with local schools to nominate and award annual scholarships and selects candidates for Girls State.

In addition to these duties, Liz is a member of the Manatee County Vets Council and volunteers weekly at the Sarasota Vets Center. Per her peers at the Center, Liz has been a volunteer for over 5 years where she has helped connect hundreds of veterans to important services while always being extremely kind and professional. They feel she has been a major asset to the center and look forward to seeing her weekly. Ms. Streb comes from an extensive military family. One of her daughters is a West Point graduate and a grandson is an Army helicopter pilot, to name a few. Veterans and active-duty military are her passion and it shows in everything that she does.

For the past year, Liz has taken in a friend who was under hospice care while completing her assigned duties with the Auxiliary with great enthusiasm. She was one of the unfortunate members of Manatee County that lost her home and car to Hurricane Helene but she never missed a beat. She is professional and organized and always gets the job done.

We highly recommend that you consider Ms. Streb for this distinguished honor. Auxiliary Unit #24 is a huge success because of members like Elizabeth "Liz" Streb.
