Lorna R. House, Colonel (Ret)
U.S. Army Nurse Corps
6311 Positano Court
Sarasota, FL 34243

Lorna House is a retired registered nurse. After graduating from Church Home and Hospital School of Nursing in Baltimore, Maryland she was commissioned as a 2nd Lieutenant in the Army Nurse Corps where she served for 28 years retiring in 1995. Lorna holds a Bachelor of Science in Nursing from Incarnate Word University, a Master of Science in Government from Campbell University, a Master of Science in Nursing from Capella University, and is a graduate of the United States Army War College. She served as a perioperative nurse both in clinical and supervisory roles in Vietnam, Korea, Germany and various Army hospitals stateside. Lorna was assigned as an Infection Control Nurse when the position was first introduced into hospitals and later was an instructor at the Military Infection Control Course. At Fort Detrick, MD she was a principal investigator in Combat Casualty Care where she helped developed medical equipment for combat units and researched the use of a demand oxygen controller for field surgery. Her last military assignment was on the faculty at the United States Army War College teaching command, leadership and management to senior ranking military officers and civilians. After retirement from the military, Lorna worked at Frederick Health Hospital, Frederick Maryland as a staff nurse in the operating room and later as the instructor for the Perioperative Course for RN's. She was also a water fitness instructor at the Frederick County YMCA. In 2010 the Governor of Maryland appointed Lorna to the Maryland Board of Nursing where she served until 2017. Lorna participated in multiple mission trips to Peru, Sri Lanka, and Nepal. Lorna is a member of DAR (Osceola Chapter), Women Veterans of the Sun Coast and she serves as the chair of the Leadership Team at Good Shepherd Church of the Brethren in Bradenton, Florida.
