Hello Spike,

Sorry - a little late to you.

We are proud to nominate Turning Points volunteer, **Nora Medina**.

Nora generously gives her time **two days each week**, yet her dedication matches that of volunteers who have served for years. In the past year alone, she contributed **1,224 volunteer hours**.

Through her work, Nora's area directly served **138 veterans**, providing **787 services** in just the last year. She also drives her aunt to Turning Points, enabling her aunt to contribute an additional **505 volunteer hours**.

Nora plays a vital role in connecting with and serving our **Spanish-speaking community**. She also helps our program grow by **training and mentoring new volunteers**, ensuring our impact continues to expand.

THANK YOU!

Margi Dawson
